

Gala Table Hosts

Fill the Seats, Fuel the Mission!

When you host a table at the **JMJ Ambassadors FOR LIFE Gala**, your generosity gives 9 of your guests a front-row seat to a night that could transform their hearts. The cost is \$800, the same as last year, and covers a table for 10. Your guests may come for dinner, but they'll leave having met Lisa, a brave mom who chose life after taking the abortion pill! She's one of hundreds of women JMJ walks alongside every year, and her story will open your guests' eyes to the beauty, strength, and **LIMITLESS** potential of every mother we serve. Hosting a table isn't just a kind gesture, it's your chance to spark something powerful in the people you invite. One table. One story. Countless lives changed! Last year, our life-saving mission gave 607 babies **LIMITLESS** potential **FOR LIFE!**

5 Reasons to Host a Table:

1. You introduce new people to JMJ's life-saving work.
2. You choose guests who may have the passion and capacity to give financially.
3. You make it free for others to attend and be inspired by everyday heroes.
4. You lead by example and help expand our pro-life family.
5. Many of our best donors, volunteers, and prayer warriors came because someone invited them to a JMJ gala!
